DE GESTION ET DE MANAGEMENT

BACHELOR IN HOSPITALITY & TOURISM MANAGEMENT

Program Objective

The Bachelor in Hospitality & Tourism Management prepares students for careers in hospitality, travel, and tourism through training in hotel management, events, customer service, and sustainable tourism.

Career Opportunities

- Hotel or Resort Assistant Manager
- Guest Relations Officer
- Event Coordinator
- Travel Consultant
- Catering or Restaurant Assistant Manager
- Tourism Project Assistant

With experience, graduates can move into management roles in hospitality and tourism.

The program includes:

Intensive French Language Courses
Improve your speaking, listening, reading, and writing skills through structured lessons.

Cultural Excursions
Discover important historical landmarks and cultural sites in France.

Gastronomy & Culinary Tourism Experience
Explore French cuisine through tastings, workshops, and local food experiences.

International Exposure
Visit the United Nations Headquarters in Switzerland and gain international insight.

Teaching Methods & Assessment

- Years 1 & 2: Continuous assessment, case studies, mid-term exams, workshops, and group projects
- Year 3: Continuous assessment, final exams, professional internship, and Bachelor thesis / capstone project
- The program combines academic learning and practical experience, with internships, case studies, field visits, and real-life hospitality projects.
